McCULLOCH MAC 15

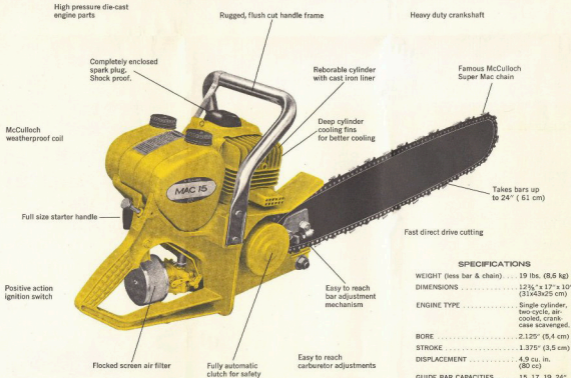

the precision-built economy chain saw

The perfect answer for anyone who needs a fast cutting, dependable chain saw that starts fast and stays on the job when others fail. You pick the job—cutting firewood, clearing campsites or pasture, cutting fenceposts, pruning—McCulloch's **MAC 15** is the saw.

Easy to carry, easy to use. Lets you tackle the really tough jobs with ease. There's an added bonus too because you can use McCulloch's famous Super Mac chain that cuts faster, lasts far longer than conventional chains.

Service and Parts? No problem with McCulloch products. There are over 6,000 McCulloch dealers throughout the world with a complete stock of parts, and experienced service personnel.

McCulloch has a complete line of fine quality chain saws—for every cutting need—in every price range!
